Createspace, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. I was contacted by a number of readers who wanted to inquire about what had happened to their favorite characters who first appeared in the Prepper Trilogies. I undertook the task of answering this, as a thank you to my dedicated readers, by beginning a series of Novelettes, so that the characters could give voice to their own experiences from their differing personal perspectives. These are short little updating features that give my readers the rest of the story that popular demand requested.
