Little, Brown Book Group, United Kingdom, 2008. Paperback. Condition: New. Digital original. Language: English . Brand New Book. In 1888 Dr John Eliot returns to London haunted by the memory of a terrible expedition to a remote Himalayan kingdom, where he had uncovered horrors far beyond the frontiers of science. Yet Eliot's faith in reason is to be tested even further when the body of a friend, drained white of blood, is dragged up from the Thames, and another associate goes missing. Eliot's quest to uncover the mystery reveals a deadly conspiracy, but then, in the lair of an enigmatic Eastern adventuress, he glimpses hints of a truth yet more extraordinary, of dark and terrible pleasures, of a whole new world. Vampires and immortals walk the gas-lit streets of Victorian London, mingling with Oscar Wilde, Bram Stoker and Lord Byron, and Tom Holland meshes fact with fiction in this brilliantly imaginative novel of passion and suspense.
