Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Like you ve never heard before.This is an inspirational collection of my personal poetic greetings for special occasions that happen to all of us.Weddings, Anniversaries, Celebrations of Mothers and Fathers; these were customized to fit the emotional and spiritual aspects of life s wonderful transitions. You will experience more than just poetry. This is an experience of heart-felt feelings being set to poetic and rhythmic flow. From my childhood I used a pen and paper to release all my insecurities and all my dreams. They somehow would begin to rhyme without me trying. In elementary school, I did one of my written homework assignments in a poem. My teachers had me to read it to the class, then to the entire 5th grade assembly.I received a standing ovation.At the time, I couldn t see what everybody starting calling MY GIFT . But I remember after that, receiving multiple request to write for many occasions and events. I customize to order by including personal information about the intended recipients. People are amazed that I can honor their event so perfectly while doing it in rhyme. Today, MY GIFT still helps me to release my inner emotions. I ve honored request for so many until it s without number. I still don t see it as being so special.It s just who I am and what I do. This collection that you read is just a small portion of who I am and what I do.ENJOY.
