## LEADING THE TECHNOLOGY-POWERED SCHOOL

SAGE Publications Inc. Paperback. Book Condition: new. BRAND NEW, Leading the Technology-Powered School, Marilyn L. Grady, 'A straightforward and easy read about what it takes to become a tech savvy leader in today's educational setting.' - Nathan Flansburg, Principal Valentine Hills Elementary School, Arden Hills, MN 'The topic is timely and this book is practical and relevant to K--12 schools across the country. The tables, checklists, rubrics, research-based models, and websites are terrific.' - Minjuan Wang, Associate Professor of Educational Technology San Diego State University Don't just ride the technology train -- drive it Today's children would rather text than talk, use "apps" instead of maps, and carry their phones, computers, cameras, and stereos in their palms. They need an active classroom, interdisciplinary curriculum, and project-based instruction that mirrors their lives outside the classroom. This book offers a cut-to-the-chase approach for busy principals who want to successfully lead with technology for enhanced student learning. This helpful resource shows school leaders how to Develop a technology leadership team Implement professional development Assess technical needs, student learning, and teacher performance Address cyber safety effectively Included are field-tested tools in digestible "bytes" that bridge theory and practice, including tips on how to build capacity by investing 15 minutes each day. Staying ahead of the technology curve is essential. A variety of vignettes from principals will show you how to guide the way as your school's chief instructional leader.
