By Charles A Anderson Scott

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from The Fellowship of the Spirit Religion is any and all reaction of the spirit of man to the approach of God. What gives the New Testament its unique place in the history of religion is that it records the most universal approach which God has made to man, and also the beginning of the human reaction to that approach alike in thought and in conduct. It records the latter also from several different angles. And the concurrence of these two forms of response is of the highest importance. For it is evidence of the arrival of power. And the character and direction of the power attest its origin as of God. The name given to that power in the New Testament is the Spirit of God. Its Character and direction are ascertainable because it is also the Spirit of Christ, and Him we know as the Jesus of the Gospels. The characteristic feature of the Church of the New Testament is that it is the Church of the Spirit. The Spirit is at once its creative, and its normative force. As...
