

High School Physics: Projectile Motion

By Vishal Mody

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This physics booklet was created to help students specifically with Projectile Motion - the topic that most students find difficult to understand. This booklet has been made extremely concise yet explains the concepts in detail at the same time. We also show you how to do projectile motion questions in three-dimensions - something that you usually don't learn in high school physics. Some explanations are even given with calculus derivations! This is a great book for students who want extra help in learning the concepts of Projectile Motion and getting ahead of the class.
