Excerpt: . . . 11 ing in for a short period of time and you are planning to send them back to their home country. There are a lot of dual taxation issues, relocation expenses, and other things that I include in my testi-mony. I believe that American cannot maintain its global advantage without an adequate supply of top-quality engineers. Immigrants build wealth and create jobs for native-born Americans, and I agree with Stephen that they keep manufacturing in the United States. In the near term, we simply must have access to foreign nation-als. Many of them have been educated in the United States. By sending them home, we are, at best, sending them to our own for-eign plants, and at worst we are sending them to our competitors. I have seen other countries relaxing their immigration laws to try to get access to this top talent. It is something that, if we want to maintain a global edge, we want to have the best and the brightest working for us in the United States. I encourage the Committee to explore the economic issues sur-rounding the H - 1B program and I hope that you can come up with a solution that will work for all of us. Thank you. The prepared statement of Ms. Dickson appears as a submission for the record. Senator C. Thank you very much, Ms. Dickson. HAMBLISS Mr. Steadman, we are also very pleased to have you here and ap-preciate your testimony at this...
