Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Main Street The main street of Apokeepsing is much like the main street of other cities of its size in the great river valley. It begins at the river, climbs a short steep hill, catches its breath on a shelving ledge, climbs another short hill, runs two miles or more to the boundary line of the city, and is later lost in the forked road that leads to the open coun try. The stranger who enters it from the railway station and traverses it the long distance to the outskirts of the city holds it in ill-concealed scorn, or makes merry over its evident attempts to rival the metropolis two hours away. The adopted citizens who are daily forced to use it as a thorough fare find it dull and commonplace and endure with such resignation as is possible its shabby gentility and its sordid aspirations. Those who claim the city as their birthplace find it not so bad after all. It is the politician alone who in the midst of a heated ward election finds it fair and lovely, the most beautiful street in the world. At all other times, to all alike, it is just Main Street.
