Especially seeing as how he could arrest me at any moment for what I did for a living. But Connor couldn t help being my knight in shining armor, and one last rescue makes me lose what little control I had. To be with him, I have to give up my job and, very possibly, my home on the island. Even then, I don t know if he can ever forgive me for the sins I can t wash away. He s one of the good guys From the moment Lola moved into my apartment building, I ve wanted her. She s too sweet and seemingly innocent, but it doesn t stop me from lusting after her.
