## THE EAGLE WITHIN: SUCCESS PRINCIPLES FROM A SIMPLE AMERICAN (PAPERBACK)

AUTHORHOUSE, United States, 2004. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Do you still believe in the American Dream? If you answered yes, this book is designed to help you develop the mental-toughness needed to make your life and career dreams come true. Let's face it, dreaming big dreams is easy. The challenge for most of us is to condition our minds to execute our dreams on a consistent basis. Why is it important to dream big dreams? Because, America was built by big dreamers. We must accept our responsibility as simple Americans to dream the unthinkable, so our children will live in a better place. We must continue this 200 hundred year old tradition of improvement. After reading this book, you will begin seeing Eagles and ducks everywhere in our society. This insight will often shock and surprise you about the people in your life and the people you currently look up to. Why do I call myself the Simple American? Because I believe that simple Americans are the fuel that allows this great nation to prosper. The Eagle Within will illustrate my journey from parking cars to President and Chief Operating Officer of a \$70 million dollar organization. I will share my 118 Eagle Principles that I believe and teach in...
