Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A troubled single mother goes missing. A highly unusual sexually-transmitted infection spreads around a small town. Two bodies wash up on a beach. Are these seemingly unrelated events connected to a government plot to eliminate undesirable members of society; an ancient myth about an Indian chief; a series of unsolved copycat murders; or to a self-proclaimed shaman and tattooist - a man who believes his body art is infused with magical powers? Hundreds of people eventually succumb to the infection. The town is quarantined. The shaman s tattoos do indeed come to life, inciting gruesome acts of violence. In a supernatural twist, the missing woman becomes an unlikely hero - a wrathful conduit - avenging a great evil perpetrated against a peaceful tribe of people hundreds of years ago.
