Grumpy Gills Publishing, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In a time when at least 50 percent of marriages end in divorce, the grim reality of failed and failing relationships can feel inevitable. After all, what hope is there for love when a vow to stay together forever seems to mean so little? Conflicts and resentment are tearing apart more couples than ever-or, worse yet, keeping them unhappily trapped together for the sake of the kids, finances, or personal beliefs. Desperate wives, husbands, and significant others turn to relationship self-help books to try and salvage their partnerships, but these books largely focus on dealing with the fights and hurt feelings that arise, rather than getting to the true root of the matter. The bold, straightforward style is ideal for anyone who is currently in a failing relationship, has ever weathered the storm of a broken partnership, or even someone who wishes to prevent it from happening in the future. With an innovative five-part program called The Melfox Method, Mellon presents a proactive guide designed to restore and preserve the intimacy, trust, and understanding in just about any relationship. Environment: Before the healing begins, you need to set the stage. In this section, you learn about the universal nemesis of healthy relationships, and how weeding it out begins with you and your partner staying on the same side. Information: In order to be successful at conflict resolution,...
