The complexities and symptoms of the disorder are described with great clarity as more and more of the character s mind and ensuing behaviour are affected. Relationships and their significance are explored during the evolution of a spiritual journey, culminating in a cataclysmic finale. An existence encompassed by nightmares and demons, a life bringing new trials, which unearths the essence of the human condition, and the instinct to survive. The climax has its own twist and play on the perception of reality, bringing the novel to a powerful and inspiring conclusion.
