Reviews

Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

SHRINE (PAPERBACK)

Brand New Book ***** Print on Demand *****.John Kensla, internationally known poet, rockstar, teacher, designer, artist, mystic, brings you his 111 page Magnum Opus of poetry, an outstanding collective unveiling his finest poems to date spanning a 27 year run of love, pain, realization, mystery rhyme. What s appealing about this book is that you can pick it up and enter into any one of 111 different worlds in a very short time. One poem will open a vortex of creative complexity that will stimulate contemplation, some will entice you to unravel them, while others are deeply refreshing that will inspire warmth soothing feelings inside, as well as the many additional pages filled with language art vividly coloring a few minutes of your life with a multiplicity of meticulously placed letters. The edge is near and submittal to the seasonal change reaps a fickle fear twining like brittle sticks in the pit of stomachs Disgusting upheaval under the fine fabrics of a phantom face The hate plowed way beneath the dirt dug up to bury the new dead.
