FEATHERPROOF BOOKS, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book. In this genre-busting book from award-winning novelist Patrick Somerville characters, stories, and stray thoughts revolve around the The Machine of Understanding Other People, the story of a Chicago man who is bequeathed a supernatural helmet that allows him to experience the inner worlds of those around him. Through his lonely lens we peer into the mind of an art student grappling with ennui, ethics and empathy as she comes to terms with her own beliefs in a godless world. We telescope out to the story of idiot extraterrestrials struggling to pilot a complicated spaceship. We follow a retired mercenary as he tries to save his marriage and questions his life abroad. Mind-bending and cracklingly new, Somerville s broadly appealing and uniquely imaginative constructions probe the outer reaches of sympathy, death, and love in a world seen from the inside out.
