

Marketing Issues in Modern China (Paperback)

By Robert Guang Tian

North American Business Press, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In today's world market no one would deny the importance of China marketing and no one will ignore the increasingly tight connections between China and the rest of the world. As China goes, so goes the world has become almost a common sense shared by the business leaders of the world. China is roaring into the 21st century with the force of a locomotive and its economy has doubled almost every six years. The great changes that have been made by the Chinese people in every aspect not only impact the domestic market in China but also the international economy (Wu, 2009; Yu et al., 2006). In Karl Gerth's recently published book, As China Goes, So Goes the World (Gerth, 2010), the famous Harvard Business School Spangler Family Professor William Kirby claims that the changes that define Chinese markets today may transform the world in the future. More than thirty years ago the economic system of China was a centralized planning system that remained largely closed to international trade, in which the market mechanism played a limited role in...
