Brand New Book ***** Print on Demand *****.Excerpt from Hydrotherapia, or the Water Cure The object of the present work is to promote the proper knowledge of a subject which has recently occupied much of the public attention - I allude to the Water-cure. Simple as this cure may appear from the simplicity of the remedy employed, and known, or believed to be known, by everybody - namely, water, there is a very great deal to be said and learned as to the effects of its manifold applications. The days for the search after the philosopher s stone are pretty well over, and the idea of finding a remedy, in the shape of pill or draught, by way of panacea, may be said to have passed also; this being admitted, I will not, as many have done, attempt to cry up water as an universal, and the only sure and safe remedy. I acknowledge the wonderful effects of it as related by others, and witnessed by myself; I acknowledge it as a Divine gift, and desire to see it used and appreciated as such.
