THE THIN RED LINE: AN EYEWITNESS HISTORY OF THE CRIMEAN WAR (PAPERBACK)

Orion Publishing Co, United Kingdom, 2007. Paperback. Condition: New. Language: English . Brand New Book. A FORGOTTEN VOICES for Victoria s RedcoatsThe Crimean War was the first modern war for the British forces: journalists reported home via the telegraph, a device that also tempted the government to micro-manage the war from the comfort of Whitehall. It is most famous for the charge of the Light Brigade, celebrated in poetry and film as a classic British military disaster. It also gave us The Thin Red Line , when a handful of British infantry saw off a horde of Russian cavalry.It was the first war in which ordinary British soldiers recorded their experiences - and Julian Spilsbury brings their story to life, together with the very different world of their officers and assorted mistresses. The army in the Crimea was a microcosm of Victorian society with all its strengths and weaknesses.
