

## Perspectives on Learning (Paperback)

By D. C. Phillips, Jonas F. Soltis

Teachers College Press, United States, 2009. Paperback. Condition: New. 5th Revised edition. Language: English . Brand New Book. Rather than simply outlining the classical and modern theories of learning, this widely adopted text brings the material to life through case studies that engage students in debates about what really happens in classrooms. Students are encouraged to test the strengths and weaknesses of each theory so that, ultimately, they will learn to formulate their own philosophies of teaching and learning. The new Fifth Edition of Perspectives on Learning features: A discussion of common sense and learning theories. A new chapter on Transfer of Learning. Consideration of recent developments in brain science. A thoroughly updated list of Recommendations for Further Reading. Perspectives on Learning is one of the five books in the highly regarded Teachers College Press Thinking About Education Series, now in its Fifth Edition. All of the books in this series are designed to help pre- and in-service teachers bridge the gap between theory and practice. Table of Contents: Acknowledgements A Note to the Instructor Chapter 1 INTRODUCTION Learning The Teacher s Responsibility The Variety of Theories An Objection: We Don t Need Theories, Just Common Sense The Plan of...
