Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This is a 20 design adult coloring book that s full of gothic fantasy creatures; fairies, monsters as well as weird sharks, birds and dolphins. As the name suggests main themes are oceans forests. This book contains some of my work that I had drawn throughout the last decade, after a bit of a make over, mind you. I m an artist who also writes stories, composes music however what makes drawing special is the fact that I don t need total isolation and silence to manage it. One of my favorite things to do in life is sit at a cafe, listen to music, sip my cappuccino and draw fantasy doodles which is the ultimate therapy one could ask for as far as I m concerned. There were times I had to work very hard to make a living and drawing was my sweet escape from the stress that life threw my way. My biggest influence must have been the old style story books that I had read as a child which were full of black and white Gothic illustrations. Besides that, I love nature and animals. Tigers, sharks, dolphins, the way they move and the various forms they take are amazing to me, not to mention very inspiring. Although I never had the courage to become a tattoo artist, my style was perfect for a lot of tattoo lovers, therefore I got to create flash art that took place on people s skin. My work may seem a bit dark but in reality what I ve always loved to do is combine the beautiful and the ugly and create an almost yin and yang atmosphere. Thank you for...
