Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A GENIUS is said to be a man or woman who knows something about almost everything, and almost everything about something. The writer of this book loves two things, and therefore has given us a book, easy to open and hard to close-she loves children, and she loves the Child Jesus. And have you not often wished that you could read your Mass from it like the priest? How to do this is what you and I are going to find out together. You will want a Missal of your own, but not quite so large as the priest s, and I think, too, you would...
