Mittal Publications, New Delhi, 2000. N.A. Book Condition: New. Xiv+109pp The New Cambridge History of India published in 1993 records, ?Hemu, a Hindu Vaisya or a member of a literate, mercantile caste, who had risen from humble circumstances to be a general for the Sur regime, claimed royal status by employing the ancient Sanskrit title of Raja Vikramaditya. Had he succeeded this would have been a remarkable assertion of the Sanskritic/Brahmanical monarchical tradition in North India long subservient to Muslim rulers? The career of Hemu is indeed a saga of adventure, courage and patriotism. Born in a poor family in a village in Haryana, he embarked upon the ladder of life as a salt-petre merchant in Rewari. His honesty, hard-work and fair-dealing impressed the state officials and they gave him a job of weighman. Soon they appointed him the Superintendent of Markets in the State administration. That was a golden opportunity to him to show his mettle to his royal masters and he was soon promoted as Daroga-i-Dakchoki (Superintendent of Posts and Intelligence). As various Afghan Chiefs were always planning and revolting against the emperor?s authority, Hemu as an efficient Superintendent of Intelligence could keep the emperor well-cautioned. That gave a further rise in his career, first as the Minister of Civil Supplies under Islam Shah and later as the Prime Minister under Adil Shah. As the Prime Minister of Adil Shah, Hemu was all powerful but he served his master with utmost devotion. He won twenty two battles for him. When Humayun came to India and by defeating Sikandar Sur, captured Delhi and Agra, Adil Shah sent Hemu with a large army to expel the Mughals out of India. His march from Gwalior to Agra was like Napoleon?s famous march in Italy. ?He came, he saw and he conquered.?...
