This book features large color illustrations and a minimum of verbiage to show brand-new Blogger users each step of the blogging process. Castro first acquaints readers with the interface and standard options, then walks them through blog setup, creating their profile, posting email, adding pictures and audio. She also covers adding widgets to a blog; tools for tracking Web traffic and following subscriber traffic; using color and customizing layouts; understanding template tags and using tags to categorize content; combating spam; understanding balance and deciding how many blog posts...
