Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Redemption of Malwa: The Central India Canadian Presbyterian Mission A brief Sketch of the history of Christianity in India indicates the stage reached when our Church began to take part in the great work of displacing India s ancient religions. Brief notes on the geographical position of Malwa, its physical features, its climate, its political relations, its history and its inhabitants, are given to help the reader to understand the environment of the missionaries. Next follows an account of the planting of the Mission, and of the various agencies and methods by which the Christian forces attack the strongholds of error. An attempt is then made to gather up in a brief statement the results of a quarter of a century s labor, and to indicate some of the needs and problems that confront us in the field. A chronological sketch is added in which brief references are made to those who have taken part in the work.
