## An Easy Algebra for Beginners: Being a Simple, Plain Presentation of the Essentials of Elementary Algebra, and Also Adapted to the Use of Those Who Can Take Only a Brief Course in This

By Charles S Venable

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.From the Preface. This book is designed for the use of those for whom the High School (Elementary) Algebra may be too difficult, and is adapted also to those who can take only a brief course. It has been carefully prepared with a view to render an acquaintance with the essentials of elementary algebra easy of acquisition by the young beginner. The explanations are brief and simple. The examples are not difficult. Such definitions and rules as are common to arithmetic and algebra have been given without labored illustration, or have been assumed as already familiar to the pupil. As a preparation for the solution of problems by means of equations, well graded steps are given in the section preceding these problems for practice in the translation of quantitative statements from ordinary language into algebraic expressions. Only the leading and more easily understood principles of Radicals and Progressions have been introduced, and I trust that these more advanced topics are presented in a simple and attractive form. The Miscellaneous Examples for independent exercise on the subjects of the different sections will give...
