After reading this book and following Howard s recipe for some time now, I can only say this book is worth each and every word. It is highly valuable and, by the way, I feel much better now and my symptoms have almost disappear so far. I recommend to anyone who is seeking some alternative path to his treatment on Parkinson s. - Amazon Kunde, Amazon Verified Purchaser. Howard s Recipe For Recovery is a breath of fresh air; If you do the recipe you will be on the road to recovery, the same road the cured walked before us, six of them so far in the past seven years. How full of hope is that?! The first sign that things were turning around for me was that my sense of smell came back after twenty years. Now where before there was despair I m so thankful to have hope and the means to make it happen.now there are tears of joy! It s a great book.Don t miss it! Hope fulfilled is priceless and it s in your hand. Buy the book!!!! - Thomas J., Amazon Verified Purchaser. This book is the fascinating story of his recovery, and the recovery of others over the years afterwards, using his Recipe.Although there are a few individual, poorly substantiated claims of curing Parkinson s, this is the only one I know of that has cured multiple identified individuals of this incurable disease. We owe Howard a great deal of gratitude for his generosity in sharing his Recipe with us here and on his extensive website. His Recipe is likely to be the best cure available over the next decade. - prestonpdx, Amazon Verified...
