Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Baptism is spoken of highly, yet is often overlooked. And it is even more often misunderstood. Some churches baptize by sprinkling, while others immerse their converts. Some think baptism is necessary for salvation, while there are those on the other end of the spectrum who see it as a mere formality. What is the truth? Is it even important enough to discuss? Until recently I didn't think baptism was important enough to discuss. For me baptism was a mere formality. Until recently, that is, when I was confronted with some teachings on the subject. It is those teachings that lead me to do my own study on the subject of baptism, and this book is the result of that study. Whatever your views of baptism are I do hope you will join with me in looking at the question is baptism important.
