Principles Practice of Urology: A Comprehensive Text (Paperback)

By M A Salam, Muhammad A Salam

Brown Walker Press (FL), United States, 2003. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Principles and Practice of Urology (Volumes I and II) was created to provide a fresh, practical and concise review of the important urological issues faced in the daily practice. An easy and simple style is used to discuss the different urological diseases. This comprehensive and compact presentation serves the undergraduate and postgraduate medical student as a text book while providing a rapid review of the subject with reference work for the experienced professional, including General Surgeons, gynecologists, oncologist, neurologists, neurosurgeons, pediatric surgeons, spinal surgeons, nephrologists and physicians. The first chapter of the book describes the scholars of urology in the past few centuries and introduces their innovative works. This is followed by 16 different sections containing about 108 urological topics described in the simplest possible way. This book is clearly illustrated with plenty of original clinical photographs and about 500 line diagrams to explain the text. Flow charts are included at the end of the major chapters to outline the practical management of the clinical problems. In two volumes, this book is ideal for rapid reference, providing instant help in...

Reviews

This kind of pdf is every thing and made me seeking ahead plus more. It is probably the most amazing ebook i have study. I am quickly can get a enjoyment of reading a composed pdf.

-- Florence Rutherford DDS

Definitely among the best ebook I actually have possibly read through. It is really simplified but unexpected situations in the 50 % from the publication. You wont truly feel monotony at at any time of the time (that's what catalogues are for concerning in the event you ask me).
