Skyhorse Publishing, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book. Marc Sedaka stood by while he and his wife endured endless rounds of drug therapies, sixteen artificial inseminations, ten in-vitro fertilizations, three miscarriages, and, finally, a gestational surrogate (womb for rent) who carried their twin girls to term. He was as supportive and loving as he could be, but he really wished he d had a book like What He Can Expect When She s Not Expecting during the process. Most books about dealing with infertility are geared toward women, leaving the man to his own devices when it comes to comfort and encouragement (never a good idea). With the help of his own infertility doctor, Sedaka provides straightforward guy-friendly advice on situations such as: What questions you should ask at the consultations. How to help rather than annoy. What kinds of tests you and your wife should expect. How to console a wife who appears inconsolable. How to enjoy procreation sex. Sedaka s accessible, empathetic voice, combined with the fact that he experienced everything he writes about, makes this a must-have book for any infertile couple.
