

Dictionary of the Old Testament: Pentateuch (Hardback)

Filesize: 6.91 MB

Reviews

An exceptional publication as well as the font employed was exciting to see. it was actually writtern extremely flawlessly and helpful. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Dominic Collins)

DICTIONARY OF THE OLD TESTAMENT: PENTATEUCH (HARDBACK)

[DOWNLOAD PDF](#)

InterVarsity Press, United States, 2003. Hardback. Condition: New. New. Language: English . Brand New Book. A 2003 LOGOS Book Award Winner! An ECPA 2003 Gold Medallion Finalist! The first five books of the Old Testament lay the foundation on which the rest of Scripture stands. Its great themes, epochal events and towering figures set down vectors on which the biblical story is played out. The very shape of the rest of the Old Testament would collapse were the Pentateuch to be removed. The structure of New Testament thought would be barely intelligible without it. Here we meet the great ancestral figures of Israel--Abraham, Isaac and Jacob--and the towering figure of Moses, whose presence dominates four of these five books. The creative act of God, the paradisaal garden, the exile of Adam and Eve, the judgment of the great flood, the call of Abraham from among the nations, the covenant of Abraham, the exodus from Egypt, the giving of the law at Sinai, the plan of the tabernacle, the varied experiences of Israel in the wilderness, and the announcement of the covenant blessings and curses--all of these and more contribute to a work of world-formative power. This dictionary explores the major themes and contours of the Pentateuch. Behind and beneath the grandeur of the Pentateuch, issues of historicity have both puzzled and beckoned. But whereas in the mid-twentieth century many English-speaking scholars were confident of archaeological support for the patriarchal accounts, the climate has now changed. In the most extreme cases, some contemporary scholars have radically challenged the antiquity of the ancestral stories, arguing for their final composition even as late as the Hellenistic era. This dictionary examines and weighs the historical issues and poses possible solutions. The documentary hypothesis, the former reigning critical consensus, is now widely rumored to be...
