BRAND NEW, Feng Shui: Create Health, Wealth and Happiness Through the Power of Your Home, Davina MacKail, Can you really change your life by changing your artwork or moving your sofa? Feng Shui proves that not only is it possible and desirable but there are often unexpected bonuses too. Houses are not just a pile of inanimate bricks and mortar; they are living, breathing entities that can be used in helping us attract more of what we want in life and less of what we don't want. Based on solid educational foundations and over 20 years of experience, Davina Mackail's Feng Shui aims to demystify and debunk the myths of this ancient and popular practice and get to the core principles. Davina explains how our homes have a remarkable impact on our relationships, health, finances and career, and explains how we can make profound changes to all these aspects of our lives by making small, simple changes in our home. In this book, readers will learn how to: clear clutter, organise space, get rid of geopathic and techno stress, and buy or sell their home in a harmonious and successful way Feng Shui translates ancient wisdom into practical tools for a modern lifestyle.
