Createspace, United States, 2014. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.In the vein of Jonathan Livingston Seagull and The Alchemist, Freedom, by international inspirational life guide, speaker, and personality expert Jonathan R. Wachtel, has the power to uplift and inspire as it provides us with a window into our situation and purpose in life in enjoyable narrative form. We are all capable of being slaves to our own thoughts and feelings, or of using these tools to sculpt our lives and the world around us at will. With its poignant psychological, philosophical, and spiritual insights, Freedom: An Inspiring And Transformative Story Of Self-Discovery guides you toward true freedom, true fulfillment, true happiness and empowerment. It guides you toward greater control over your life. Freedom is a compilation of two stories: The Tree and the Sun and Freedom. The Tree and the Sun is a metaphorical story about our relationship to God and the world around us, and our purpose in existence. Freedom is the story of a boy who was born into slavery and is learning what it is to be free- psychologically, physically, and so on. Freedom has many layers, and the chapter titles of this unique work suggest some of the most significant of these: Freedom of Thought, Freedom of Feeling, Freedom of Speech, Freedom of Action, Freedom of Manifestation. Together, these inspiring and empowering tales tell us what life is all about-why we re here, what we re supposed to be doing here, what our place and purpose is in this world. Nearly everyone who has read Freedom has reported intriguing, lasting, positive effects. A general positive and empowered attitude infuses the reader s experience of the world and spills over into the reader s life....
