Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Junior High School Mathematics: Second Book The book closes with extended groups of problems which apply the mathematical principles previously taught to conditions under which such problems are usually met. The last few sets of problems are involved in projects planned to follow as closely as possible a series of activities requiring much computation for a genuine purpose. These projects may suggest to the teacher similar projects having particular local interest for the pupils.
