

## The Roots of Romanticism: Second Edition (Paperback)

Filesize: 4 MB

### **Reviews**

*This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.*  
(Juliet Mertz)

**THE ROOTS OF ROMANTICISM: SECOND EDITION (PAPERBACK)**

Princeton University Press, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. In *The Roots of Romanticism*, one of the twentieth century's most influential philosophers dissects and assesses a movement that changed the course of history. Brilliant, fresh, immediate, and eloquent, these celebrated Mellon Lectures are a bravura intellectual performance. Isaiah Berlin surveys the many attempts to define romanticism, distills its essence, traces its developments from its first stirrings to its apotheosis, and shows how it still permeates our outlook. He ranges over a cast of some of the greatest thinkers and artists of the eighteenth and nineteenth centuries, including Kant, Rousseau, Diderot, Schiller, the Schlegels, Novalis, Goethe, Blake, Byron, and Beethoven. The ideas and attitudes of these and other figures, Berlin argues, helped to shape twentieth-century nationalism, existentialism, democracy, totalitarianism, and our ideas about heroic individuals, self-fulfillment, and the exalted place of art. This new edition, illustrated for the first time, also features a new foreword by philosopher John Gray, in which he discusses Berlin's belief that the influence of romanticism has been unpredictable and contradictory in the extreme, fuelling anti-liberal political movements but also reinvigorating liberalism; a revised text; and a new appendix that includes some of Berlin's correspondence about the lectures and the reactions to them. Second edition with a New foreword by John Gray.
