

Lobbyists, Government and Public Trust: Increasing Transparency Through Legislation (Paperback)

By OECD: Organisation for Economic Co-operation and Development, Janos Bertok

Organization for Economic Co-operation and Development (OECD), France, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Lobbying can improve policy making by providing valuable insights and data, but it can also result in unfair advantages for vested interests if the process is opaque and standards are lax.?? Lobbying is resource intensive. The financial services sector in the United States spent USD 3.4 billion lobbying the federal government between 1998 and 2008, principally promoting the deregulation of the financial sector. Legions of lobbyists provide guns for hire worldwide. In 2008, there were over 5 000 registered lobbyists in Canada at the national level, while the European Commission in Brussels had over 2 000 registered as of August 2009. In the context of the current financial and economic crisis, the stakes of lobbying are higher than ever, particularly given the scale of government bailouts and stimulus packages and plans to rewrite regulations. Setting rules for enhancing transparency in lobbying is challenging because the border between giving sound advice and promoting vested interests is thin, and practices often fall in grey areas. This report reviews the experiences of Australia, Canada, Hungary, Poland, the United Kingdom and the...
