Believing it s the only way to recover her reputation and secure peace for herself, Lilly sets out to find--and punish--her assailant. Sporting a mysterious tattoo and unusually colored eyes, the rapist should be easy to identify. He even leaves what police would consider solid evidence. But when Lilly believes she has found him, DNA testing clears him as a suspect. How can she prove he is guilty, if science says he is not? Distraught by the turn of events, Lilly suffers a setback and is fired from her job shortly after discovering she is pregnant as a result of her attack. Blinded by her desire for revenge, Lilly vows she will seize her life back and bring her rapist to justice--and the first step is figuring out how her nefarious assailant could cheat the usually conclusive DNA test. Her search must unravel the mystery of his genetic fingerprint even if it forces Lilly to deal with her own past and shaky faith. But the rapist is watching Lilly s every move. Can she discover the truth before he ends her life--and the life of her unborn child?.
