## THE LEADER S CODE (HARDBACK)

Random House USA Inc, United States, 2013. Hardback. Condition: New. Language: English . Brand New Book. What does it take to be a great leader? In a word: character. This unique book by decorated U.S. Marine Corps veteran Donovan Campbell, the New York Times bestselling author of *Joker One*, draws on his years of training and combat experience to reveal the specific virtues that underpin effective leadership--and how anyone can stand up, serve others, and make a difference in the world by bringing out the best in a team. *The Leader s Code* is a practical action plan that can be applied to any situation in which exemplary leadership is required, whether that be at home or in the workplace. Moreover, *The Leader s Code* unpacks the military servant-leader model--a leader must take care of his mission first, his team second, and himself a distant third--and explains why this concept of self-sacrifice is so needed in today s world. Focusing on the development of character as the foundation of servant-leadership, Campbell identifies character s six key attributes: humility, excellence, kindness, discipline, courage, and wisdom. Then, drawing on lessons from his time in the Corps and stories from history, Scripture, and American business, he shows us how to develop those virtues in order to take the helm with confidence, conviction, and a passion to bring out the best in others. Being a leader is about being worthy of being followed. True leaders, Campbell argues, foster compassion for others and they pursue excellence in all that they do. They are humble and know how to self-correct. Campbell s exploration of these vital qualities is wide-ranging, as he takes us from the boardrooms of the world s most successful companies to the Infantry Officer Course, the intense twelve-week training gauntlet that Marines use...
