REINFORCED CONCRETE BEAMS RETROFITTING IN FLEXURE AND SHEAR WITH FRP

Reinforced Concrete Beams
Retrofitting in Flexure and
Shear with FRP

New Anchorage Systems to Prevent FRP Debonding

LAP Lambert Academic Publishing Nov 2014, 2014. Taschenbuch. Book Condition: Neu. 220x150x10 mm. This item is printed on demand - Print on Demand Neuware - Current conventional strengthening of reinforced concrete (RC) beams using epoxy-bonded fibre-reinforced polymer (FRP) technique requires difficult surface preparation and is susceptible to a brittle form of failure due to peel-off or debonding of the FRP laminate from the beam. This book presents two new mechanically-anchored FRP and dry fibre strengthening systems that can be used...

Reviews

A brand new e book with an all new perspective. It can be rally fascinating throught reading period. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Kobe Streich I**

I actually started looking at this publication. It normally is not going to expense a lot of. You are going to like the way the author publish this book.
