

Balancing Principles for Teaching Elementary Reading

By James V. Hoffman, Peter Afflerbach, Ann M. Duffy-Hester

Taylor Francis Inc, United States, 2000. Paperback. Book Condition: New. New.. 230 x 154 mm. Language: English . Brand New Book ***** Print on Demand *****.This book appears at a time when the crisis rhetoric about schools, teaching, and learning to read is extremely high. There is a rising call within the profession for a balanced perspective on reading. Balancing Principles for Teaching Elementary Reading aspires to help set the agenda for improving the quality of literacy instruction in the United States--by recentering the debate from What s better, whole language or phonics ? to What can we do in reading instruction to prepare all children for the literacy demands of the next century? The authors, all members of the professional community of reading educators, work on a daily basis with teachers in classrooms, prospective teachers, clinicians, and tutors. Their goal for this book is to represent what they have learned about effective teaching and learning as members of this community. It is written with four purposes in mind: * to offer a principled conception of reading and learning to read that is considerate of both the personal dimensions of literacy acquisition as well as the changes that are taking...
