Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. What do yo do when you ve been married to a man for 30+ years and he becomes a different person to you? You become afraid for your life but you re having a hard time of letting go, of deciding if you should leave. If you stay you may become a static, and/or victim. I chose to stay because we had longevity and years of memories, which was probably not a good reason. I didn t think of his name calling arguing, etc. as abuse and that s how we women trick ourselves. We don t equate the mental/emotional abuse in the same category as the physical abuse. Face it ladies, let s keep it real-we all get l m not letting another woman have what it took. syndrome. KISS D is a book written with separation/divorce, African American women and the abuse we suffer in mind, based on my experience. This is a straight to the point book about surviving the emotional and physical issues of separation and/or divorce. Kept in Silence Surviving Divorce because most women don t know what they are entitled to and in the case of abuse they don t report it for various reasons. African America women make up the biggest statistics; maybe that s why it s called an unreported epidemic.
