Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Many first time authors struggle with trying to get their first manuscript published. Knowing which publishing companies to trust and which are the best is a daunting task. Authors may choose the self-publishing route instead of the traditional publishing route. There is also the option of publishing E-Books in today s world where the majority of people in our society own E-Readers. Smart phones also function as E-Readers now that people carry with them wherever they go. In today s world the E-Book is the quickest and most significant way to reach your audience. This book will educate you on the differences and similarities between traditional publishing and self-publishing. This book will prepare you to start writing E-books that can earn you \$5,500.00 per month if you follow all of the advice in this manuscript. This book series will help you learn how to write effective E-books geared toward a niche audience that will be eager to buy your book. It will also teach you how to market specifically to your niche audience leaving them no choice but to make an impulse buy. This book teaches you everything you need to know to be prepared to be an established author making \$5,500 per month on E-Books.
