With a growing career, family, and responsibilities, the carefree life of youth seems a distant memory, and an Old Boy wonders that surely there must be more to life than this? But society dictates we Suck it up Princess and just get on with it. The 4 Pillars of Life is a book written for Old Boys by an Old Boy that provides a journey of self-discovery through the maze of what makes a Life Worth Living. We all want to Live a Life Worth Living, live an adventurous life, and have a story to tell when we are older, but too many of us just get by , we watch as other people seem happy and content, or are successful, and all we do is look for reasons why it doesn t work for us. We have regrets about the past, we worry about the future, and we just let the adventure of life slip by. This book is an opportunity for Old Boys to have a look at themselves and their lives, in their own time and in their own way. It is a journey of self-discovery through the maze of what makes a Life Worth Living. It is a guide to living a richer and fuller life, and a course of action to being a better man, in a world where the image and expectations of what a man should be, has been distorted beyond recognition, and seemingly beyond the achievement of the average Old Boy.
