

A Bike Snob Abroad: Strange Customs, Incredible Fiets, and the Quest for Cycling Paradise (Hardback)

By Edén Weiss, Bikesnobnyc

CHRONICLE BOOKS, United States, 2013. Hardback. Condition: New. Language: English . Brand New Book. Bike Snob is all grown up! After two books and thousands of miles under his tires, Bike Snob is back with a book that takes his family on the road - 2 year old son in tow - on an international cycling adventure into the wild and tweedy bike-share lanes of London, the Bakfiet equipped cycling utopia of Amsterdam and the back roads of Switzerland and Italy. But all roads lead home eventually, and the Snob takes a close look at the state of American cycling after a decade of advocacy, infrastructure development and backlash have frankensteined us into some semblance of a bike-friendly nation. But is it working? With humorous anecdotes and his trademark biting wit and wisdom, Bike Snob takes us on his most personal narrative journey yet and ultimately shines a light on the growing-pains that exist in any culture that asks the two-wheeled, four-wheeled and smartphone-text-happy pedestrians to share the road.

Reviews

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).

-- Prof. Kirk Cruickshank DDS

This kind of book is every little thing and taught me to looking ahead of time and a lot more. I am quite late in start reading this one, but better then never. I found out this book from my dad and i encouraged this pdf to find out.
