CLAIRVIEW BOOKS, United Kingdom, 2004. Hardback. Condition: New. Language: English . Brand New Book. .There are only two possibilities: either Berlin will be capital of the world or Washington - Adolf Hitler. November 1941 The Second World War can not be fully understood unless it is seen for what it was: a struggle for world domination between the United States and Nazi Germany. Based on both Allied and German sources, Toughill s firsthand research examines that rivalry and for the first time provides convincing answers to many of the questions about the war which have, until now, remained unanswered: Why did Hitler declare war on the United States? What is the truth behind the Allies policy of unconditional surrender ? Why did the Germans stand behind Hitler in the face of overwhelming odds? Why did the Allies leave Berlin to Stalin, the Soviet dictator? At the centre of A World to Gain stands President Franklin D. Roosevelt, the man who rid the world of a great evil and in the process made the United States the most powerful country on earth - all at virtually no cost . How he achieved this extraordinary feat is examined in fascinating detail with new evidence - including forged Cabinet Papers - which is so startling that it will force a major reappraisal of WWII. Toughill pays particular attention to Roosevelt s advisors: William Wild Bill Donovan, the President s Spymaster, whose cunning helped bring America into the war; Douglas Miller, who publicly called for America to attack Germany from the West ; and George Marshall, the US Chief of Staff, who urged the complete military defeat of Germany . Understanding exactly what happened during that dreadful conflict is essential to ensuring that Europe never again suffers such a catastrophe - and Toughill s...
