Reviews

Comprehensive guideline for ebook fans. I have read and i am certain that i am going to going to go through yet again yet again down the road. You wont truly feel monotony at whenever you want of your own time (that's what catalogs are for concerning when you check with me).

(Keegan Abernathy)

REVOLUTIONARY CURRENTS: NATION BUILDING IN THE TRANSATLANTIC WORLD

Rowman & Littlefield Publishers. Paperback. Condition: New. 202 pages. Dimensions: 8.9in. x 6.0in. x 0.7in. In the Age of Democratic Revolution, countries on both sides of the Atlantic were linked together through trade networks, diplomatic ties, and social interactions. More importantly, however, they also shared a common revolutionary dynamic that oscillated back and forth across the ocean. *Revolutionary Currents* explores the global crosscurrents and revolutionary ideologies that inspired four great modern revolutions—England's Glorious Revolution of 1688-89, the American Revolution of 1776, the French Revolution in 1789, and the Mexican Revolution in the early 1800s. Michael A. Morrison and Melinda S. Zook bring together noted historians to look at how each nation reshaped these revolutionary traditions, making them their own, and exported them once again. In examining each event, the contributors respond to the historiographical trends of revolutionary ideology, transatlantic cross-fertilization of ideas, and nation-building. In assessing and analyzing the ideas, traditions, and nationalisms that inspired revolution and nation-building in the modern world, this book breaks new ground in the area of transatlantic history. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
