Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Veda Vandyke is a simple woman. She wants nothing more than to have mind-blowing sex with her gorgeous Italian fiancÃ , to complete her medical residency without accidentally killing someone, and to exact revenge on her worst enemies without being thrown in prison for life. But when Veda discovers her fiancÃ might be one of her worst enemies, and that her darkest secret has fallen into the hands of a treacherous man, her quest for vengeance is threatened. A relationship on the rocks. A cloud of blackmail hanging over her head. The deepest denial she's ever experienced slicing her heart to bits. If she were any other woman, the stress alone would be enough to bring Veda to her knees. It would be enough to bring her quest for revenge grinding to a halt. But Veda Vandyke wasn't just any woman. Regardless how rapidly her life was falling apart, vengeance would be hers. She couldn't stop. She wouldn't stop. Not until she finished destroying every last monster who'd destroyed her, ten years ago, on that sleepy island called Shadow Rock. Purr is an interracial novel. Triggering elements. Strong sexual content. Strong language. This story ends in a cliffhanger. The Revenge Series is written to unfold over multiple volumes. Book 1: Quiver Book 2: Tingle Book 3: Purr Book 4: *coming soon*.
