THE EXPANDING UNIVERSE: EXPLORING THE SCIENCE FICTION GENRE (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Twenty-three talented authors. Twenty-three remarkable stories. One incredible science fiction collection. The universe is expanding and these are some of its stories. Twenty-three bestselling and debut authors have created worlds where invasions are apocalyptic and space empires are in peril. The universe is beyond our understanding, and sometimes, what we don't know can kill us. From gruesome alien invasions to epic space battles, the second volume of The Expanding Universe will expand your imagination. Explore the possibilities that our infinite universe holds with psychic hunters, brave soldiers who battle vicious invaders, and brilliant engineers who must act quickly to save their crewmembers. And only in The Expanding Universe will you find mercenary nuns. Chivalry in space, pirates versus drones, a starship teetering on the edge of a gravity well, and space marines doing what they do best-kicking ass-will have you on the edge of your seat, turning pages long into the night to find out what happens next. And only in The Expanding Universe will you find mercenary nuns. When we discover we're not alone in the universe, will you be prepared?
