In Focus 1: Jagdpanzer 38 is the first of a new series from Panzerwrecks. As the titles implies, the subject is the German Jagdpanzer 38 tank hunter, often incorrectly referred to as the Hetzer. The subject has been written about before and many photos published, but this book, the first of a series, combines 20 years original research and gathering of materials to take a fresh look at this vehicle. The cornerstone of every Panzerwrecks publication are the large format photos, and this book continues this with many previously unseen images. These images are supplemented by specially commissioned high quality artwork from Felipe Rodna. The author and artist have worked together closely and incorporated the latest findings to offer the reader the most authentic color plates of the Jagdpanzer 38 yet published. This book will become a must have for the serious modeler and military vehicle enthusiast.
