

## The Boy Who Could Change The World: The Writings of Aaron Swartz (Paperback)

Filesize: 5.94 MB

### ***Reviews***

*Absolutely essential study pdf. It is written in basic words and phrases rather than hard to understand. I am just happy to tell you that this is basically the finest pdf I actually have studied during my personal lifestyle and can be the very best publication for actually.*

The New Press, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. In his too-short life, Aaron Swartz reshaped the Internet, questioned our assumptions about intellectual property, and touched all of us in ways that we may not even realize. His tragic suicide in 2013 at the age of twenty-six after being aggressively prosecuted for copyright infringement shocked the nation and the world. Here for the first time in print is revealed the quintessential Aaron Swartz: besides being a technical genius and a passionate activist, he was also an insightful, compelling, and cutting essayist. With a technical understanding of the Internet and of intellectual property law surpassing that of many seasoned professionals, he wrote thoughtfully and humorously about intellectual property, copyright, and the architecture of the Internet. He wrote as well about unexpected topics such as pop culture, politics both electoral and idealistic, dieting, and lifehacking. Including three in-depth and previously unpublished essays about education, governance, and cities, *The Boy Who Could Change the World* contains the life s work of one of the most original minds of our time.
