Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Sergeant Ted Cole, United States Marines The story of the United States Marines is one of the most thrilling in the entire his tory of the United States. Many are not aware that their record is a long as well as a glorious one, and that it dates back even to the days of John Paul Jones. No chapter in this wonderful history, however, is more glorious or thrilling than that which records their heroism in 1918 in the chateau-thierry Sector in France. The bravery displayed, the determination and the persistent forward push in the face of the fire from some of the strongest troops in the German Army, appeal to the imagi nation and arouse the enthusiasm of all who have heard the glorious reports. Many of the details incorporated in this story have been given the writer by boys who were in the fighting. Several of the officers have been most kind in providing data and material which are reliable. Let ters written by several of the Marines have also provided most valuable aid. The daring of the Marines, and...
